

Organizational Restructuring

Barueri, October 6, 2023: **Clear Sale SA** ("Company" or "ClearSale"), a company specializing in anti-fraud, risk management and data intelligence solutions, today announced a strategic restructuring that has a transversal dismissal impact of approximately 9% of the company's total workforce.

The process was conducted with transparency and respect, aiming to generate cash for the long-term sustainability of the business, adapting the structure to the economic moment and the strategic planning of positioning and offers (componentization).

ClearSale deeply recognizes the value and dedication of each of these impacted professionals, many of whom have contributed to the success of the business over the years. And it remains committed to supporting them, helping with the outplacement process, additional salaries, besides the extension of various benefits.

The company reaffirms its commitment to continuing to provide services to customers, with responsibility and excellence, maintaining the highest standard of quality and service.

The company remains at your disposal to resolve any doubts that may arise.
