In response to the Official Letter, the Company informs that it is unaware of any fact directly related to the Company or its activities that has influenced the oscillation treated as atypical by the Official Letter - which justifies the referred oscillations verified in relation to the shares issued by the Company, the amount traded and the number of trades.

Additionally, in compliance with the sole paragraph of article 4 of CVM Resolution No. 44/21, the Company inquired its managers and controlling shareholders, who returned informing that they are also not aware of the existence of undisclosed acts or facts that would justify such fluctuations.

It is emphasized that the Company, with its advisors and/or its controlling shareholders seek and analyze opportunities aimed at the development and expansion of its businesses and investments, including through eventual acquisitions of stakes, partnerships and/or corporate reorganizations. However, there is no material information not disclosed to the market that could justify the oscillation, treated as atypical as above, in relation to the shares issued by the Company.

The Company is available for any further clarifications that may be necessary, reinforcing its commitment to provide timely information of interest to its shareholders, investors and the market in general.
